The SetPoint

AMERICAN SOCIETY OF HEATING, REFRIGERATION, AND AIR CONDITIONING ENGINEERS, INC.

May 2009

Next Program:

Intrust Bank Sedgwick County Arena Tour

4:30 pm, May 28th

Meet at construction entrance gate at approximately 200 S Commerce

Tour the nearly complete arena with knowledgeable guide. Afterwards we will walk or drive to a local pub for sponsor provided appetizers. Additional food and beverage will be your responsibility – otherwise No Charge!

Numerous construction safety issues will be observed. If you prefer to use your own hard hat & safety glasses, please bring to meeting, otherwise we will provide one. Please RSVP for this event as this will help us gauge required safety personnel and sponsor appetizers.

Please call or email Curtis Wondra, 316-267-2246, CWondra@jmoconnor.net

From the President: It's been a while since we have seen an issue of the Setpoint grace our desktops or our website, it's nice to put one out there – even if just a short first attempt. James Herrman and Greg Schunk have been hard at work with Maida.net (a web developing company) to establish our new web site – sowe thought it might be nice to put a newsletter on our website! The new web site will not be so different from our past in terms of appearance, but we are buying into a new engine behind the scene that will allow us to produce a product directory listing and also use Paypal to pay for various local charges (program attendance, socials, golfing, etc.) It is the hope of the Board of Governors that these changes will not only offer improved communication and ease of use to our membership – but will hopefully be a source of income in the future.

The annual golf tournament is coming up (see box to side). Along with this popular event, we are trying a new twist: we've teamed up with Darren Eskridge with Chemtreat to provide a morning of seminars on 4 topics of application to our industry. These seminars will be held at the same location (Rolling Hills Country Club) and will immediately precede the golf tournament. Registration information will be sent via email to our membership.
